🎓 Experienced Tutor | National University of Singapore | MSc in Physics

With an MSc in Physics from the National University of Singapore and a BSc in Applied Physics from Nanyang Technological University, I bring 12 years of tutoring experience. I specialise in IB Physics and guide students through A-Level, IGCSE, and AP courses, always striving for their academic success.

Teaches: IB Physics A-Level Physics IGCSE Physics GCSE Physics AP Physics

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

National University of Singapore: MSc in Physics
(2010–2012)

Nanyang Technological University: BSc in Applied
Physics (2006–2010)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 12 years, I've worked extensively with students from diverse backgrounds, guiding them through IB Physics and helping them succeed in both HL and SL courses. My experience spans across different curriculums, including IGCSE and A-Level, where I've supported students in mastering key concepts in mechanics, electromagnetism, and thermodynamics.

I've also worked with students preparing for university-level entrance exams, specialising in topics like quantum physics and calculus-based physics. Many of my students have successfully transitioned to top-tier universities, achieving excellent academic results along the way.
