Korea University: BSc in Chemical Engineering (2014–2018)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

In the last 4 years, I've worked with students across Asia and Europe, guiding them through the complexities of IB and IGCSE Chemistry. My students have achieved top results in their exams, with many progressing to top universities. I focus on providing clear, structured lessons that make even the most challenging topics accessible.
