Tutoring Experience

With 16 years of tutoring experience, I've had the privilege of guiding students through the complexities of IB English, IGCSE, and A-Level English. My students come from a diverse range of backgrounds, and I've helped them refine their skills in literary analysis, essay writing, and exam preparation.

Throughout my tutoring career, I've worked closely with students preparing for major exams, including IB assessments and A-Level coursework. I strive to foster an environment where students feel confident tackling challenging literary works and improving their overall understanding of the subject.

I also have experience teaching students with different learning needs, ensuring that each student receives tailored support. Many of my students have gone on to study English at prestigious universities, achieving high marks and building a passion for literature.
