 Experienced Tutor | Lund University | MSc in Chemistry

I have an MSc in Chemistry from Lund University and a BSc in Chemical Engineering from Uppsala University. With 17 years of teaching experience, I specialise in IB Chemistry, A-Level, and IGCSE, helping students worldwide excel in their exams and coursework.

Teaches: IB Chemistry A-Level Chemistry IGCSE Chemistry GCSE Chemistry
AP Chemistry

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

Lund University: MSc in Chemistry (2005–2007)

Uppsala University: BSc in Chemical Engineering (2001–2005)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 17 years, I have worked with a diverse range of students, helping them succeed in IB Chemistry, A-Level Chemistry, and IGCSE. I've had the pleasure of working with students from different parts of Europe and Asia, preparing them for rigorous examinations while also helping them grasp fundamental concepts.

In addition to school-level tutoring, I have supported students with their internal assessments, lab reports, and extended essays. Many of my students have gone on to pursue degrees in chemistry and related fields, and I take pride in having played a role in their academic journey.
